LITHUANIA

UP2BAR

MEMBER OF THE KAUNAS POLYTECHNIC INSTITUTE

RADIO CLUB

The Kaunas Polytechnic Institute is the largest in the Baltic States. It was established in 1950. In its faculties and subsidiaries study about 18,000 students who are trained in 50 specialities. Students take part in various sport activities including radio sport. The radio club of the KPI was established in 1956 and from then became one of the most active clubs. Members of the club can be met in any contest. WW DX Contest
